Instrumental Music commences

Did you know that about 20% of the school population studies a musical instrument? This is one of the highest proportions in the Education Department’s Northern Region. Last week all the instrumental students met in the hall to sort out details for the 2006 program. This week it was full steam ahead with Ensembles Rehearsals and lessons commencing. This year we have a number of Big Performance events planned for 2006. These include concerts, tours, play in days and trips. (Also, separate trips to Canberra & the Gold Coast)

If you have not signed up to learn an instrument you still can. There are still vacancies on Flute, Trombone, French Horn, Cello, Violin & Double Bass. See Mr Lewis for details. Join the throng of musicians at Northcote High School.

2006 School Production Meeting

Meeting for students interested in the school production—Lunchtime Monday, 20th February in the School Hall. All Welcome!

Based on a Northcote Story

A Theatrical and Rhythmic Smorgasbord of Dance, Performance, Singing and Visual Design.

Riding on the coat tails of last year’s Rock Challenge, this year Northcote High School aims to layer contemporary rhythms, local history, student voices with epic poems in our endeavour to create meaning in a world that we know, understand and love: Northcote.

The show requires performers, singers, dancers, musicians, set builders, stage managers and anyone with a secret hidden talent that you’ve been waiting to showcase but a little unsure where is the appropriate platform…

Whether you dream of performing under lights or prefer to hold the show together behind them, bring your talent to the first Production Meeting at the beginning of lunch in the Hall on Monday, 20th February.

“We’ve got the rhythm, we set the pace
Drop the tempo, now bring in the base…”Joe Dukie

Huaibei Number One High School, China. Arriving for one week English, Cultural and homestay program around August 10. 15 students and some teachers. (Although our agreement was originally for a visit every two years, taking turns alternately, Huaibei Number One High School indicated last year that with increased demand in Huaibei, they now wish to visit annually.)

It is intended the Huaibei students will homestay as much as possible with NHS students who are visiting China in September.

Proposed School trip to New Caledonia

GET Educational Tours are preparing a sample budget for us to run a French language students 7 day trip to New Caledonia, late in Term 3, 2006. Further information will appear in the next newsletter. Details will be presented to school council for approval as soon as possible.

Would you like a short term homestays for our Japanese or Chinese visitors?

(I now have six people willing to take Japanese students—that leaves 14 to place!!!!)

Long-term Homestays also required

Term One is the time many new overseas students arrive here and need help finding a home placement home. Current full board rate is $200-220 per week. Local families, who are interested in the young student’s daily lives are preferred. Please contact James in the Overseas Students office on 9488 2334

For further information on the school’s 2006-2007 Boho, Australian and International camps and tours see our website Camps link

2006 Year 7 BBQ—February 20, 6.00 pm

Every year we run a Year 7 parents and teachers BBQ, hosted by our parents and teachers’ social group—the Northcote Highlights. Proceedings kick off at 6.00 pm. Bread, BBQ sausages, falafel, sauces and salads are provided by the school. Parents should bring their own soft-drinks, wine beer, dips or alternative foods.

Parents and teachers often start off sitting with their child’s form groups, but end up moving about and mingling with other groups of parents. It’s a great night and one not to be missed!
**Student Lockers Update**

Locker assignments have been completed this week. All students who requested lockers have been allocated one. We appreciate the patience and understanding as we continue to implement our plan to relieve our locker situation (sharing of some lockers). As you know, as we have grown in student numbers over the past few years we have needed to use all of the available internal spaces in our buildings as locker areas. Thus, additional expansion to locker numbers has had to include the planning for the construction of new locker areas attached to or beyond the current buildings.

For 2006, School Council has allocated the funding and we are in the process of having a new locker area designed by an architect and built this semester. As a school, we are also committed to additional new locker areas in our redeveloped portable area. Thus, new locker areas will be included in the Leading Schools Project construction and in the redeveloped portable area adjoining.

I understand that there has been a great deal of frustration in the past and want to assure you that a plan is in place and the locker situation will improve this year and in future years.

Thank you again for your understanding and support.

*Gail Davidson, Principal*

Going National…Gone International

Have you notice the smiles on the faces of teachers Mr Peter Staubli and Mr Bob Olson? The two have been producing a segment on the popular C31TV program NuCountry TV for three years. Last December, the show started being broadcast on C31 Adelaide (Thursdays at 8:30pm). Negotiations are underway to broadcast the show in NSW, Queensland, WA and Mt Gambier. As of the beginning of February, the good people of Waikato and Rotorua in New Zealand have had their Thursday nights brightened with NuCountry TV being broadcast there.

NuCountry TV was created after NuCountry FM failed in its seven year quest to gain a radio licence. Both the radio station and the tv station are the products of volunteers working towards the goal of promoting the most under represented music genre in the unlucky country. Australian singer/songwriters and musicians have been the first priority on both the radio and tv stations. Grammy award winner Keith Urban and multi award winner Casey Chambers were aired first in Melbourne on NuCountry FM and receive continued exposure on NuCountry TV. For more information surf the net to nucountry.com.au

Mr. Staubli and Mr Olson’s work, “My NuKitchen” appears every second week at 9:00pm on Tuesday and is repeated Friday at 3:30 pm and Sunday at 2:00am.
